GUIDE TO BUDGET DOCUMENTS

PLAN AND BUDGET SUMMARY

A document containing a fiscal summary of the 2026 budget; a budget forecast for Milwaukee; detailed narrative descriptions of each department's mission, services, outcome measures and related activities; and a summary of appropriations by expenditure category. This document is printed annually in Adopted and final form as follows: the *Proposed Plan and Executive Budget Summary* contains the Mayor's Executive Budget as presented to the Common Council for review. The *Plan and Budget Summary* contains the budget as adopted by the Common Council.

BUDGET

The official City of Milwaukee line-item budget provides a listing of all appropriation accounts by department and is published after the final budget adoption.

SIX-YEAR CAPITAL PLAN

A presentation of the city's six year capital program. Includes details on planning, financing, infrastructure, and urban development undertakings involved in the capital plan.

To obtain copies of the: *Proposed Plan and Executive Budget Summary*, *Plan and Budget Summary*, and *Detailed Budget* contact the:

MAYOR CAVALIER JOHNSON
CITY OF MILWAUKEE

**2026 Milwaukee City Budget
Presentation to the Common Council
September 23, 2025**

As Prepared for Delivery

Honorable members of the Milwaukee Common Council, citywide elected officials, and honored guests, I present my 2026 Milwaukee city budget.

No task we undertake in our leadership roles is more fundamental, nor is any task more significant, than the allocation of resources to conduct the business of city government. Through this process we establish priorities and chart a sustainable course for the coming year and for the years ahead.

We have endured a particularly volatile and perilous period in recent years. It is no secret that as recently as three years ago Milwaukee confronted the possibility of fiscal calamity. Money from the American Rescue Plan Act was a temporary solution. Then a sales tax along with a recalibration of state shared revenue offered a reprieve.

The city's financial picture does have greater clarity now, but it is not a rosy image.

The cost to continue this year's programs and service levels for next year exceeded our projected revenue by more than \$100-million. Yes, we started with a gap of more than \$100-million for our 2026 budget. That's one of the largest gaps this city has ever seen.

To close the gap, we carefully balanced three approaches. There were careful withdraws from reserve accounts, departmental belt tightening, and revenue increases. Fully funding a budget of over \$2-billion will require user fees to increase about 4%, the property tax levy to go up 3%, and the vehicle registration fee to increase by ten dollars bringing ours in line with a number of communities around Wisconsin.

I do not anticipate layoffs associated with the 2026 budget because any staffing reductions should be accomplished by not filling vacancies.

We have a statutory obligation to balance our budget, and we have a moral obligation to balance that budget in a way that is both responsible and sustainable. I have pushed every department to continue looking for ways to do their work better.

As we fulfill our obligations, we attend to our policy priorities. This budget includes a multi-part commitment to public safety, an investment in housing affordability, in infrastructure, and in libraries.

I have consistently prioritized public safety in my budgets, and my 2026 executive budget is no exception. Again this year, I have included funding for training the maximum number of police recruits at our academy. I want more officers on the Milwaukee Police Department, and we have a statutory obligation to increase those numbers.

The Milwaukee Fire Department is on target to meet the obligation to grow its numbers. My budget calls for adding three full-time-equivalent positions, increasing fire investigation capabilities and reducing the likelihood of arson in the city.

The Office of Community Wellness and Safety under a new director will continue its work. I am pleased he is bringing a fresh approach that prioritizes positive outcomes.

Recent deadly crashes have alarmed me – and many others in Milwaukee. From the tragedies and the sadness, we are even more resolved to increase safety on our streets.

The fact is, traffic deaths have declined here, and I firmly believe our streets are safer because of investments we have made in traffic calming roadway improvements. Last year there was a seven percent decline in traffic fatalities, and this year there are strong indications we will see even greater safety.

In 2026, we will start a major road project on National Avenue that reduces the likelihood of crashes and deaths. And, we'll finish a similar project on Lisbon Avenue. You will see protected bike lanes, more trees, and a calmer roadway. Projects on Roosevelt, Hopkins, Oklahoma, and the Walnut-Lisbon corridor will all start next year, curbing reckless driving and making roadways safer for pedestrians and bicyclists.

We are awaiting more information regarding federal resources available to city government for flood damage and flood response stemming from the August 9th disaster. The Federal Emergency Management Agency is actively working with property owners and the Small Business Administration is here working with impacted businesses.

Again, I want to express my appreciation to city workers who responded and pivoted to the emergency. Our employees have done remarkable work that we all can be proud of. I know I am.

Part of the widespread flooding damage hit our libraries. A number of branches were shuttered for several days. I remain committed to our libraries because they provide valuable service, opening opportunity, knowledge and creativity for our residents. Like every department, we asked Milwaukee Public Libraries to economize. Even so, hours and staffing remain relatively steady.

Like other localities around the country, Milwaukee's economy has shown strength in recent years. Wages are rising, businesses growing, and employment has been solid. That's been good news for

the hardworking people who live in Milwaukee. People looking for work find opportunities in our city. Unemployment numbers have been relatively low.

We know from history, though, economic good times are often interrupted. In fact, warning signs have already appeared. So, as part of this budget I am directing resources to build employment opportunities. We are adding a position within the Department of City Development, and that person will be tasked with working with employers, existing local businesses along with businesses considering a new location.

I want Milwaukee to be the first choice for growing businesses so that our residents have increasing job opportunities.

Housing is another issue that is important to every person in our city. We are all aware of the growing costs of rent and homeownership. We are also cognizant of the ongoing need for quality residential choices.

This budget includes investments in Raze and Revive, the Milwaukee Home Downpayment Assistance Program, in the STRONG Homes Loan Program, the Compliance Loan Program, and the HOMES MKE effort. We will continue to promote homeownership, and we will continue to compel landlords to follow the laws on safety and livability.

I want our housing efforts to boost neighborhood stability, to increase safety, and to build value for our residents. There are efforts underway in several different city departments to strengthen housing in Milwaukee, efforts I support. In the coming months I will focus additional attention on the work that's underway because I intend to make 2026 to be the "Year of Housing" in our city.

There is no question our resources are limited. We simply do not have the money available to accomplish all the things we would like to. However, that does not stop us from doing the work of city government better.

While Council members and I have periodic differences of opinion, it is clear we share much more in common. We all want our residents to have stability, opportunity, and safety. We want our children to have hope and success. And, in this annual budget process we share the desire to strengthen city finances, improve government efficiency, and adapt city operations to meet the moment.

Yes, we have fiscal challenges. At the same time, we are increasing our investments in roadways, planning a new branch library and a permanent home for the busy Midtown early voting site. We're funding the maximum number for police recruits, and adding to the Fire Department's numbers. Importantly, we're focused on the future with resources to attract jobs and improve housing options.

The budget I present reflects the values we share. I thank the budget office team for its diligence and thoroughness, and I look forward to working with each of you to shepherd this fiscal plan forward.

FINANCE AND PERSONNEL COMMITTEE REPORT ON THE 2026 ADOPTED CITY BUDGET

The 2026 City of Milwaukee Budget reflects our shared commitment to building a stronger, safer, and more resilient city. As Chair of the Finance Committee, I am proud to present a budget that looks ahead—one that invests in people, neighborhoods, and the public services that shape daily life, even as we navigate an increasingly uncertain environment.

This budget is guided by a simple belief: Milwaukee's future depends on sustained and thoughtful investment. We invest in our city workforce through competitive wages and benefits, recognizing that dedicated public servants are the foundation of effective government. When we support those who serve the public, we strengthen the services residents rely on every day.

Public safety remains central to our vision for Milwaukee. The 2026 budget supports police, fire, and emergency response services, while also advancing prevention and community-based strategies that promote safer neighborhoods. A truly safe city is one where residents feel secure not only in moments of crisis, but in their everyday lives—on their streets, in their homes, and in shared public spaces.

This budget also continues to invest in the quality of life that makes Milwaukee a great place to live. Expanded library hours will increase access to learning, workforce resources, and community connection. Ongoing investments in infrastructure and core services help ensure that every neighborhood benefits from safe, welcoming public assets that foster opportunity and pride.

Affordability, particularly housing affordability, remains one of the defining issues of our time. This budget supports efforts to stabilize neighborhoods, expand housing options, and encourage thoughtful, sustainable development. Our goal is a Milwaukee where more residents can afford to live near jobs, schools, and services—and where growth benefits all communities.

At the same time, the City faces a new and evolving challenge: unprecedented changes in the federal government. Uncertainty regarding federal policies, regulations, and established grant funding, have required the City to recalibrate and adjust. The 2026 budget reflects this reality - balancing ambition with caution and ensuring that core services remain stable even as external conditions shift.

IV

To better navigate this changing landscape, the Common Council has requested that the Comptroller develop a five-year fiscal forecast. This forward-looking tool will strengthen long-term planning, improve transparency, and help policymakers make informed decisions that responsibly manage City resources while preparing for future challenges.

The 2026 budget is more than a financial plan. It is a statement of values and a reflection of the city we are working to build: safer, more affordable, and more resilient. Our city has a long, rich history built on the backs of our immigrant community. We will continue to be a welcoming city for all people at all times. Milwaukee's story is still being written, and with this budget, we take another step toward a future filled with opportunity and promise for generations to come.

Sincerely,

A handwritten signature in dark ink, appearing to read "Marina", followed by a long, sweeping horizontal line that extends to the right.

** Expenditures include funding carried over from prior year, but do not include American Rescue Plan Act Funds.

DEPARTMENT APPROPRIATIONS BY FUNDING CATEGORY

The following table shows the 2026 appropriations for departments by funding category. Funding in the Operating category is from departmental operating budgets in the general fund, the enterprise funds, and from various special purpose accounts. Estimated employee fringe benefit amounts are included in the Operating category. Funding in the Capital category is from capital improvement projects in the capital funds, including enterprise fund capital funds. Funding in the Grant category includes both operating and capital grants. The table only includes department specific appropriations and anticipated funding and excludes non-department specific contingency appropriations as well as anticipated appropriations that are not allocated to specific departments.

Department	Operating Budget + SPAs	Capital Budget	Grant Budget	Total
Administration, Dept. of	\$23,167,789	\$9,160,000	\$36,344,486	\$68,672,275
Assessor's Office	6,676,889	0	0	\$6,676,889

							(A) The Department of Neighborhood Services shall use, at minimum, \$400,000 of demolition money for properties in areas of concentrated blight.			
							(B) Positions partially grant funded.			
							(C) Positions partially capital funded.			
							(D) Up to 2 positions may be designated by Neighborhood Services Commissioner as a Lead Special Enforcement Inspector.			
							(E) The Department of Neighborhood Services shall not fill HACM inspector positions until the vacated inspector positions are underfilled to ensure that no area of the city will be underserved because of the creation of the HACM positions.			
							(F) The Department of Neighborhood Services shall conduct a recurring annual survey of developers and residents about experience at the City Development Center and shall report the survey results on an annual basis to the Common Council.			
							(G) The Department of Neighborhood Services shall explore the legality of publicly posting properties with active DNS orders pending re-inspection and to implement allowed posting activities.			
							(H) The Department of Neighborhood Services shall work with the Department of City Development to develop code revisions to allow the reconstruction of a 1-2 unit residential structure, or ancillary structures, with the approval of abutting property owners and the local Common Council member.			
							(I) The Department of Neighborhood Services shall explore increasing the fee for expedited permits to the level of full cost recovery.			
							(X) Private Auto Allowance May Be Paid Pursuant to Section 350-183 of the Milwaukee Code.

C. CAPITAL IMPROVEMENTS FUNDS									
1. BUDGETS FOR CAPITAL IMPROVEMENTS									
These accounts may be credited with amounts received or receivable from assessments levied, contributions, grants, and loans in aid from other Governmental Units. Sales of remnant parcels of property or other receipts which are considered an abatement of project costs and amounts so received or receivable shall be deemed to be appropriated for the particular purpose of the project account to which said amounts are credited and are available for disbursement for said purposes, providing such receipts and disbursements have the approval of the Finance and Personnel Committee of the Common Council. Various Common Council Resolutions such as C.C. Resolution 88-1665 adopted December 20, 1988 commonly referred to as the Capital Guidelines; CC Resolution 66-1893-E, (Grant and Aids Guidelines) adopted February 5, 1982, CC Resolution 72-982 (Land Acquisition Policy) adopted February 23, 1973 and CC Resolution 73-1365 (Industrial Land Bank Revolving Fund) adopted January 15, 1974 set forth the various procedures and controls applicable to the Capital Program of the City of Milwaukee. In adopting this budget it is the intent of the Common Council that such requirements and subsequent revisions thereto will be followed. In the case of Expressway and Urban Aid Reimbursable Capital Improvement Accounts, because of timing uncertainties and their reimbursable nature, it is the intent of the Common Council to provide expenditure authority on an as-needed revenue offset basis by appropriate resolution, rather than to include amounts for such projects in the Budget.									
SPECIAL CAPITAL PROJECTS OR PURPOSES									
Capital Grant and Aids Program expenditures shall be made only after adoption of a Common Council resolution adopted in accordance with Common Council Resolution File Number 66-1893 as amended February 25, 1982. Grantor Share-Non City Cash New Borrowing Cash Levy

- (A) DPW, Water Works and the Health Department shall form a committee and report quarterly to the Common Council on long-term strategies and recommendations for addressing lead service line replacements.
- (C) The Department of Public Works is to work with the Police Department to establish an appropriate scope of work for a consultant to conduct a comprehensive analysis of the City's crash statistics and establish tools, such as predictive modeling, that would help City officials target priority locations to reduce fatalities and severe injuries resulting from traffic crashes.
- (D) The Department of Public Works shall work with relevant City departments, community groups and other resources to develop a promotional campaign for bicycling.
- (E) The Department of Public Works shall examine the feasibility of creating a dedicated crew in DPW to address the backlog of requested scattered site walk replacements and report back to the Council.
- (F) The Department of Public Works shall explore the feasibility of creating a third Drop-Off Center location.
- (S) Project is financed through a transfer of Stormwater Management Fee revenue from the Sewer Maintenance Fund to the Capital budget.

(A) Each City department is directed to inform the Finance & Personnel Committee any time a deficit of over \$100,000 occurs or is projected to occur.									
(B) Each City department is directed to list internship opportunities online, on appropriate apps, and on social media.									
(C) Each City department is encourage to host events like Big Truck Day to promote City employment.									
(D) Each City department is directed to report to the Common Council by April 1, 2026 on the investments and commitments the department has made to serve Spanish speaking residents.									
(E) Each City employee with a reporting footnote shall comply with the requirement listed in Common Council file 231352.									

II. BORROWING AUTHORIZATIONS

General Obligation Bonds or Short Term Notes

**New 2026
Authority**

A. Renewal and Development Projects

1. For providing financial assistance to blight elimination, slum clearance, redevelopment and urban renewal projects under section 66.1301 to 66.1327, 66.1331, 66.1333, 66.1335, 66.1337, and 66.1105. MEDC Loan Program.

Subtotal Renewal and Development Projects. \$6,325,000

B. Public Improvements

1. Public buildings for housing machinery and equipment. \$22,748,943
2. Harbor improvements. 2,900,000
3. All Fire borrowing. 13,000,000
4. All Police borrowing. 5,000,000
5. Bridge and viaduct. 5,900,000
6. Sewage disposal, sewer improvement, and construction. 0
7. Street improvements and construction. 60,925,000
8. Parks and public grounds. 500,000
9. Library improvements authorized under section 229.11 and 229.17. 2,800,000
10. Rubbish. 0
11. Water Infrastructure. 0

Subtotal General Obligation Bonds or Short Term Notes (Sections A and B). \$120,098,943

C. Contingent Borrowing

Borrowing for a public purpose not contemplated at the time the budget was adopted.

Contingent borrowing. \$200,000,000

Subtotal General Obligation Bonds or Short Term Notes. \$200,000,000

D. School Board Borrowing

1. School purposes (1). \$2,000,000

Subtotal General Obligation Bonds or Short Term Notes. \$2,000,000

E. Borrowing for Special Assessments

1. To finance public improvements in anticipation of special assessments levied against property.
2. General city. \$3,165,000
3. Water Infrastructure. \$10,000

Subtotal General Obligation Bonds or Local Improvements Bonds. \$3,175,000

F. Tax Incremental Districts

1. For paying project costs in accordance with project plans for Tax Incremental Districts. \$25,000,000

Subtotal General Obligation Bonds, Short Term Notes, or Revenue Bonds. \$25,000,000

G. Borrowing for Delinquent Taxes

To finance general city purposes for anticipated delinquent taxes. \$37,000,000

Subtotal General Obligation Bonds or Short Term Notes. \$37,000,000

H. Revenue Anticipation Borrowing

To borrow in anticipation of revenue in accordance with Section 67.12 of the Wisconsin State Statutes. \$400,000,000

Subtotal General Obligation Bonds or Short Term Notes. \$400,000,000

I. Water Works Borrowing

Water Works mortgage revenue bonds or general obligation bonds. \$49,280,000

Subtotal Revenue Bonds or General Obligation Bonds. \$49,280,000

J. Sewer Maintenance Fund Borrowing

Sewer Maintenance Fund revenue bonds or general obligation bonds. \$22,500,000

Subtotal Revenue Bonds or General Obligation Bonds. \$22,500,000

K. Transportation Fund Borrowing

Sewer Maintenance Fund revenue bonds or general obligation bonds. \$2,092,000

Subtotal Revenue Bonds or General Obligation Bonds. \$2,092,000

Total General Obligation Bonds or Short Term Notes **\$861,145,943**

- (1) Design plans for any alteration to building exteriors and interiors shall be reviewed and approved by the city.

III. CLARIFICATION OF INTENT

Employee Fringe Benefits

Employee fringe benefit costs are allocated to operating and capital budgets on an estimated basis for informational purposes only. Such estimated expenditures are 100% appropriation offset for operating budgets and 100% revenue offset for the capital budget to avoid any impact on the city's tax levy. Actual fringe benefit costs, such as health care benefits, life insurance, and pensions, are budgeted separately in non-departmental accounts, which are funded from the property tax levy.

The amount included in each departmental (or budgetary control unit) operating budget on the line entitled "Estimated Employee Fringe Benefits" is subject to adjustment by unilateral action of the City Comptroller, during the budget year, if the actual rate charged against salaries paid is at variance with the estimated rate used in calculating the budgeted amount.

Departmental Salary Appropriations

Department net salary and wage appropriations reflect current wage rates and expenditures and are limited to these amounts. Funding of future salary increases is provided in the Wages Supplement Fund.

Footnotes

Section 18-06-12 of the Milwaukee City Charter states that the adoption of the budget shall be the authority for the expenditure by a department for the purposes therein provided and of the amounts assigned to the department thereby and no further action by the Common Council shall be necessary to authorize any department to make such expenditures. The City Attorney has advised that footnotes contained in the line item budget are informational only and not controlling over expenditures unless a corresponding resolution specifying the footnote's intent is also adopted by the Common Council.
